

Dear Children, dear Mothers and Fathers, dear Friends at SOS Russia !

**Happy 20 Years' Birthday of the SOS Children Village in Tomilino !
Wishing you joy, happiness, harmony, success and good health !**

**An anniversary is a time to celebrate the joys of today:
The memories of yesterday, and the hopes of tomorrow.**

**The CV Tomilino is a wonderful place, a lovely home, an island of peace,
a place to re-charge the batteries, to regain strength for the tough daily life.**

**Tomilino CV is an elegant place with wonderful houses and gardens,
but what really is the "magic" are the children, the mothers /fathers and the staff.**

Lots of love and constant happiness ahead !
